

I have great pleasure in sending out the results for the Aquathlon on the 9th June. But first I would like to say thank you to all who helped officiate on the day, which without their help there would be no competition.

I was pleased to see Aiden on the way home from the pool standing in Tesco car park explaining the finer points of pointing and getting a good catch in the water to anyone that would listen but he had just taken a full second off his PB for 400m swim.

I would like to take this opportunity to say farewell to Oliver Southall and that I hope he keeps the training going and look forward to seeing his progress. Well done to Emma Hutton on evening up the tally with Oliver 1 win each she certainly looked like a young lady on a mission (runs in the family). Oliver Baker fresh from the cricket pitch was in great form and I hope to see more of him in the future. While big sister Kate Baker took a huge 15 seconds off her last time to record a PB of 4.59 for the swim of 250m.

The course record holder Jenny Grant did not compete today so it was left to Ruth Hutton to set a new course record and improve her swim time by 1 second. Not to be outdone David Baker yes Oliver and Kate's dad was first male just a few seconds in front of Andy Evans who through no fault of his own was late registering so got a bumpy ride in the swim. Rob McKinlay travelled from Plymouth to compete in this event and his dad Dave could not be bothered to come over from OZ to watch.

Don't forget the next race is on the **21st July at 14.00 hrs**
